MAINTAINANCE COST OF FIRE DEPARTMENT IS \$1,200, REPORTSHOWS

Consider Remodeling Station-Annual Ball to Be Held November 10.

Dishursements for the maintainance of the Antioch Volunteer fire department for the year will aggregaie about \$1,200, according to the books of the secretary and trensurer that have just been turned over to the auditing committee. Listed among the major items of expense are Insurance on firemen, buying coats, re-decorating interior of the fire station, upkeep of truck, etc., but the list does not include the feed fund which is separate and is kept up by dues.

The department will elect officers for the ensuing year at the meeting to be held the first Tuesday in Octo-

Teeth Chatter and Shivers Travel Up and Down One's Spine These Days.

Labor Day seems to be the turning point for everything in and about Antioch Resort visitors go back to "the city" Many of the dance pavilions close, while others are open only occasionally. Soft drink stands along the highways no longer serve the public.

Just as activities reach a turning point soon after Labor Day, so did the weather. Killing frosts, cold, heavy winds and low temperatures have been prevalent. One morning this week buckets of water which had remained outdoors over night had a thin coating of lee. Overcoats and winter coats of all sorts have replaced the light, summer wraps. A wintry fall is here-but the least one can do la HOPE for some warmer days.

PARADE IS ONE OF LARGEST EVER FORMED IN WILMOT; ORIGINALITY IS EXPRESSED MOST OF THE FLOATS.

RECORD BREAKING CROWDS

The ninth annual fair of the West Kenosha County Fair association closed Saturday evening after the most successful three days in the history of the fair. Good weather prevailed throughout and all attendance records] were broken. A crowd of 6,000 for Thursday and 4,000 each for Friday and Saturday were estimated by the fair directors.

The big attractions Thursday morning were the parade and the bail game. Wilmot defeated Johnsburg 6-3 at the local park.

The parade, led by the Nash band, passed through the village streets. Five judges found it difficult to place the awards as never before had so much

THE very next time you come to town drive around and get a few bundles of RED TOPS. Make your fence post dollars do double duty-first, for temporary fencing and hogging down and later use the same posts for repairs or in your permanent fences.

RED TOPS make fall fencing an easy job. They drive easily through hard, dry soil. One man with a RED TOP Driver can drive 200 to 300 a day. If you have a few bundles of RED TOPS on the place you can catch up on your delayed fence work in spare time.

For erecting temporary fences to get more out of your pasturage crops or for Hogging down Corn, RED TOPS are easy and quick to use. When fence lines are to be moved RED TOPS can be withdrawn and redriven without damage to the post.

Come in and look over the features of RED TOP posts that have made hard, critical buyers-thousands of practical farmers, the Railroads and the U. S. Government-buy and use this post year after year. If it is best for them it should be best for you, too.

Shell Motor Oil

Shows the Way to Carefree Motoring

No matter where you drive or how you drive, it protects against friction and heat.

NOT TOO THIN

Only when you have complete confidence in your motor oil can you really enjoy today's high-speed motors and high-speed motoring. Such confidence comes as a matter of course when your crankcase contains a full measure of Shell. Drive for an hour or tour for a week, you know that there is no need to worry about lubrication. This sturdy, dependable oil will constantly protect against heat and friction.

Shell Motor Oil meets modern requirements with ample in reserve. Crude oils, selected for their rich lubricating properties, form its base. The Shell refining process preserves intact all the natural heat resistance of the crude because no extremely high temperatures are employed. The result is an oil of just the right body... it flows freely, yet "stands the gaff." For carefree motoring use Shell Motor Oil.
